

Record Participation!

2024 Vasari Cares Fun Run

Despite rescheduling due to weather, over 200 people signed up for the 2024 Fun Run! More than 100 participants traversed the course and quite a number joined us for the post race BBQ at Taverna. In addition, many others made generous contributions to Vasari Cares. In total, more than \$10,000 was raised.

A big thank you to our "Special Drink Stations" hosted by Michael and Patricia Palumbo, Drew Felldinand Dallas Blaylock and Sue Bird and Bonnie Shelor. Your efforts made the event even more fun!

Thank you to our volunteers, participants, donors and our tee-shirt sponsor, Mercedes Benz. Without your continued support, we cannot help the local charities that are essential to the health of our local community.

If you did not pick up your tee shirt, they will be available at the Vasari Front Desk beginning Monday, March 4.

Enjoying some post race camaraderie and BBQ
