

----- 5th ANNUAL -----

CHARITY GOLF TOURNAMENT

The 5th annual Vasari Cares Charity Golf Tournament was held Monday, April 15. The event was sold out with 144 Members and Sponsors participating. Besides Golf, there were over 50 raffle and silent auction items, drawings for \$500 in cash, adult beverages on the course, lunch, dinner and cocktails. The highlight of the reception was probably Jeanne Nealon from Laces of Love, the recent recipient of a \$10,000 grant from Vasari Cares, who shared heart-touching stories about the children that they help with the simple gift of a brand-new pair of sneakers.

COMMUNITY EFFORT

The Vasari community really stepped up this year. A committee led by J. Andreassi put together the event and worked hard recruiting 27 corporate sponsors and 25 member tee sign sponsors. All of the neighborhoods and a number of individuals generously contributed amazing silent auction and raffle gift baskets. The Vasari Staff performed exceptionally, as usual, with outstanding food, service and a wonderful golf experience. While it was a great event, there is always room for improvement, and we have made note of several things we can do better next year.

RESULTS

The winners of the golf tournament were Dave and Lori Maxwell with Jan and Steve Mitchell.

But the real winners will be the local charities that Vasari Cares will be able to support with **over \$55,000 raised** net of expenses!

Thank you sponsors, volunteers, contributors, participants and staff. David Bird, Chair of Vasari Cares, acknowledged, "We cannot do what we do without your support".
